Sue walks her talk

Sue's life started out riddled with tragedy; death, suicide's, abandonment issues, loss of personal power, physical and mental abuses, and this did not define her life. She found her voice again and this has created Sue's passion and desire for creating positive and sustained transformation in her life as well as countless others.

This is accomplished with over 20 years of research and development and creating her curriculum that utilizes positive psychology, law of attraction, new mindset habits, personal energy and the power of energetic intentions.

Welcome
